Sir:

AMENDMENT AFTER FINAL

In reply to the Final Office Action mailed July 12, 2004, and pursuant to 37 C.F.R.

§ 1.116, Applicants propose that this application be amended as follows:

Amendments to the Claims are set forth in the listing of claims in this paper
beginning on page 2.

Remarks and Arguments follow the amendment sections of this paper.

00/00/0000 0000 000000 000000 000000
00 000000 000000 00

Finally, Applicants submit that the entry of the amendment would place the application in better form for appeal, should the Examiner dispute the patentability of the pending claims.

In view of the foregoing remarks, Applicants submit that this claimed invention, as amended, is neither anticipated nor rendered obvious in view of the prior art references cited against this application. Applicants therefore requests the entry of this Amendment, the Examiner's reconsideration and reexamination of the application, and the timely allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 07-2347.

Respectfully submitted,

Date: November 11, 2004
